Mat Pombo, driver of the Czabok-Simpson Motorsports # 2 entry

"I'm super excited to be joining the Czabok-Simpson Motorsports team for Laguna Seca. They have made great strides with their Porsche's over the first two weekends and I look forward to getting behind the wheel to see if we can come home with a top five result. Such a great pleasure to rejoin my racing family at LAP Motorsports with Rob Ridgely and Luis Perocarpi for the weekend. We have had tremendous success in the past, and I fully expect us to be back to our usual competitive natures. Can't wait to get to California in May."
